

Council Meeting of
October 8, 2002

Agenda Item: 12

October 2, 2002

Dear City Council,

I would like to address City Council on the subject of School Resource Officers and to add my support for a City budget that supports our Police and Fire Department personnel. I am making this request prior to a meeting later this week with a concerned group of parents. Based on the outcome of this meeting my need could change to address council as we may choose another form of communication; however, due to the one week notice needed to address council I needed to be prepared to speak.

Please confirm that I will be able to speak at the next council meeting (Tuesday, October 8) and please include any guidelines that I will need to follow.

Sincerely,

Rhonda Costa
